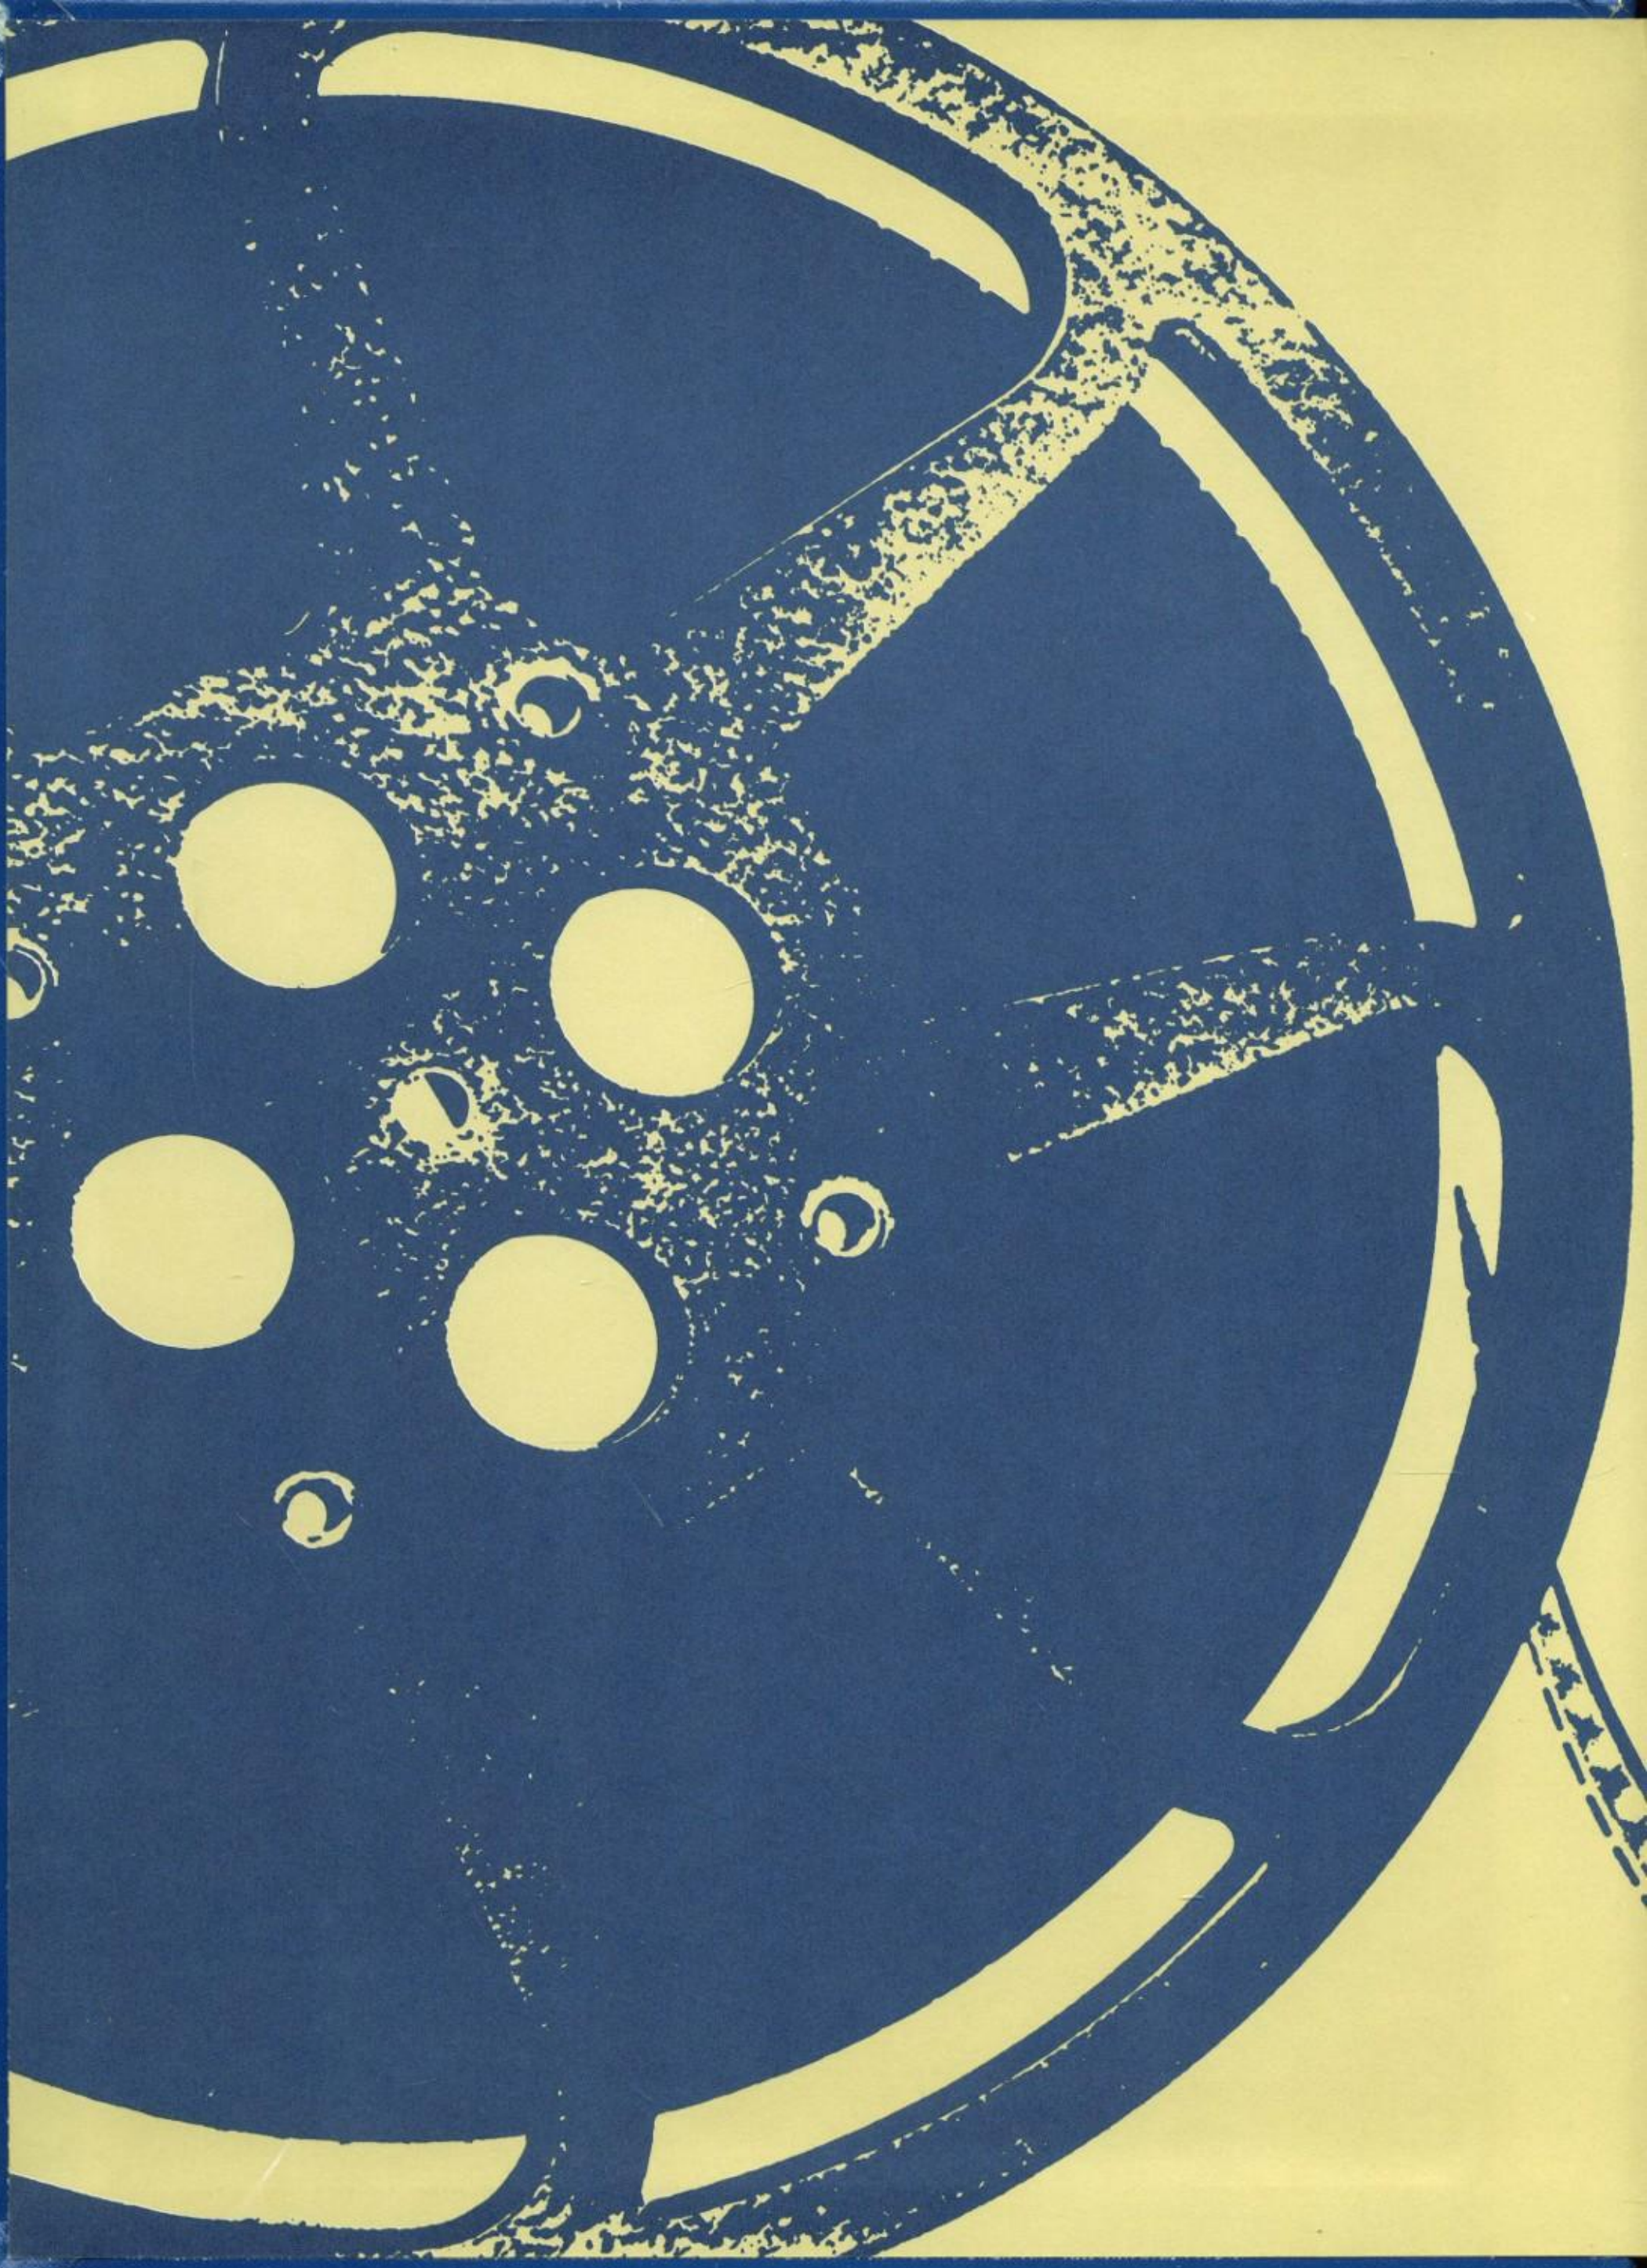
"BLAZON"



"ACTION . . .

There are many people who should be acknowledged and thanked for their patience and help in the production of the 1978-1979 Blazon.

Our book was published by Taylor Publishing Company with Carl Hardy as our Taylor Representative. His help was greatly appreciated. He helped us with deadlines and kept us informed on the latest developments on our book.

A special thanks goes to all teachers who were nice enough to excuse students to work on the Blazon, and also to those who were understanding enough to permit last minute interruptions by photographers and conferences between staff members. The Beatrice Daily Sun and the DeWitt Times News are to be acknowledged for their cooperation in providing pictures for us when we were unable to take them. Anderson's Photography of Lincoln also deserves credit for taking pictures on our Photo Day which was held on May 2. I would also like to thank our secretary, Rose Huenke, for the use of her typewriter and office. The Journalism Department under the direction of Mr. Gene DeBuse also contributed a great deal in the area of photographs.

The most important "Thank You" goes to the annual staff, and our advisors, Mr. John McKenna and Mr. Mike Dinnel. Everyone gave up hours of their time to work making deadlines. I'm sure everyone can think of a better way of spending their evenings than writing captions, drawing layouts, or worrying about shutter speed instead of who is ahead in a basketball game. Though many people don't realize all of the hard work and dedication it takes to put this book together, it's rewarding to know that the people who did work on the Blazon this year gave it their best shot, and they can be proud of what they have done. I hope that as you look through the following pages that the memories we have captured will mean as much to you as they do to the Blazon staff of 1978-1979.

SYNOPSIS —

"Chronic was the word," our senior year. It was great year with many good times. But also the sad feeling came that all our school years were coming to an end. We have become a very close class through our Jr. and Sr. High years. The following is a brief summary of our "growing experiences" we now cherish as memories.

We started Jr. High as 51 of the oddest characters around. We really got our kicks off of strange things. In art class, for instance it was always fun to put a rubber band on the water hose, and watch somebody turn it on and discover what had been done. Many of the guys enjoyed using pea shooters, putting tacks on chairs, throwing clay, or learning the "facts" from magazine articles. The various classes we had to take allowed us to have fun. The many wars and sinking of ships that we had in Mr. Schniers', and the many trips out to the hall during chorus helped us to put our dents in the school as well as our heads. As far as band goes, it didn't, but the band teacher did move on, coincidentally after his first and last year with our class. Our class did many extra things, such as having a skating party, a field trip to Hastings, when a certain young couple held hands for the first time under the stars in the astrodome, and we even made a couple of movies. Mr. DeBuse helped us put on several movies including, "Tarzan," and "School's Out". A lot of us attended the sports banquet, though we weren't out for any sports. Some of the girls even served, although the tables, floors, and even the guest speaker, were subject to a little spill now and then. Throughout the year, we found many ways to keep ourselves occupied in and around the school. In chorus classes, many of the guys and girls got together to play the card game, "Pig", which provided many dares for the loser. These kept everyone laughing for days. For example, having to salute the flag while singing, "America," in front of the entire class or the challenge of circling Mr. Crawford at the piano three times. The girls received "Christmas Packets," from the Home Ec. Dept. and had fun figuring out what the things were supposed to be used for. At the end of the year, many of our squirt guns were quickly confiscated. Class officers in 7th grade were Pres. Lisa Ensz, Vice Pres. Nancy Weins, Secr. Jenise Schroeder, Treas. Kirk Weichel. In 8th grade they were Pres. Kirk Weichel, V.P. Joni Frey, Secr. Lyn Schuerman, and Treas. Tom Preston. Junior High now seems like an insignificant chapter of our lives.

Turning the pages to Sr. High, we find ourselves maturing ever so much. We went to our first dance at Homecoming, and had one girl on the cheerleading squad. We had many new students from the parochial schools, but all 68 of us chose as our class officers Pres. Tim Garrison, V.P. Ellen Hagemeier, Secr. Lyn Schuerman, and Treas. Kathy Graff. We emerged as a class that year by joining various clubs and went out for sports. The girls had their first basketball team with six losses (out of six, but they went on to improve.) The end of our freshmen years we partook in the experimental Mini-Courses. They were a lot of fun as we learned many new non-academic skills including, "How to Get Sunburned Hiking," "How to Play Ping Pong Without Really Trying," and "How to Sit Through a Whole Class Listening to Rock Music."

Tenth grade was a fun-filled year with many new experiences of driving — legally. In PE classes, the girls had male dance partners, for the first time. Two other firsts: students were selected for both Honor Society and Student Council. Our class officers were Pres. John Roesler, V.P. Becky Stokebrand, Secr. Joni Frey, and Treas. Greg Hasenohr. That year, we had many insightful English classes with Miss Hare. We learned "Fifty Ways to be Perceptive." Everything was "beautiful," even our logs about rocks. We had fun doing projects, too with all those plays and mobiles and otherwise worthless projects we produced. Band members toured Omaha that spring and stayed at the New Tower Inn. Most band members made the sponsors glad they had kids that did what they were supposed to (except for Mrs. Mueller, when poor Jeff was misplaced for a couple hours until the maids found him.) The many bed checks and balcony hoppings made for a memorable night. Myron Spovnic, or Dan the Man, our main man, entered our lives, biologically speaking. That summer, several Deutsch students hit Germany for a great trip to end the year right.

Our Junior year found us more busy, involved, and downright rowdy. The government class that went to Washington, D.C., were especially riotious. Twenty eight students hit the town for a great "learning experience" (but didn't go unnoticed for long.) It was during that year that class rings came, and the long-awaited prom finally came about. The theme of this prom was, "Precious and Few," as our memories of the evening. That spring the FFA boys also held a Sweetheart Dance at which one of the junior girls, Ellen Hagemeier was crowned sweetheart. There was another big dance that year — the computer dance. Here the wall flowers were matched up with the jocks, the tall girls matched up with the shorties, and the guys that like to spend Saturday nights at home got matched up with the cheerleaders, as everyone lied on their questionnaires. It was fun seeing who the best matched couples were.

This year the Trojan Tattler was retired to make way for the new Trojan Warrior. Other newsmakers were John Roesler and Tom Preston who made all conference basketball. The German Club went Christmas Caroling in Beatrice and to the Coachman afterward. The poor waiters almost got water spilled all over them but unfortunately, the trick backfired. Our class officers that year were Pres. Kirk Weichel, V.P. Greg Hasenohr, Secr. Kay Yost, Treas. John Roesler.

At last, we reached the ultimate: SENIOR STATUS!!!!! It's not all they say it is but at least we made it after all these hard years. There were so many pastimes that everyone liked to be involved in, like getting chronic at the Sonic after ACT's, or trying to get away with chewing gum in school. The new school year found many changes, as in the case of T-Club. Twenty-five cheerleaders enthusiastically led the crowds (even though sometimes there were more of them than there were people in the crowds, it never dampened their spirit.) Homecoming was the biggest and best ever. The theme was "The Old Schoolyard." The queen candidates, Joni Frey, Ellen Hagemeier, Jan Malchow, Nancy Scheele, and Becky Stokebrand all rode in Todd Mahloch's Model T during halftime. The king candidates were Paul Brakhage, Tim Garrison, Sam Germer, Greg Hasenohr, and Lee Waldo. Crowned as royalty were Nancy Scheele and Tim Garrison. The dance was appropriately decorated with old school desks and other memorabilia. We all experienced a wedding this year complete with a chivalry and wedding dance. This was the mock wedding the adult living class put on so that all could see what it may be in the near future. All the rituals were explained and all dressed up in formal attire. Even Kurt Ruhnke and Patty Dunn looked

like real-life bride and groom. On a more serious note, the volleyball girls brought home the district trophy. Seven wrestler went to state. The girls' basketball team were district runner ups. The boys' basketball team nearly won a trip to state but for disappointing one point loss. Spirit nonetheless, was high, with the help of the student body. Afternoon pep rallies allowed the spirit to be held over into the many exciting games. The year wouldn't have been as exciting without everyone's enthusiasm. The Home Ec room was subject to the anonymous disposal of some chlorox. At least a few kids got some attention and got out of school after this unnatural high. Prom was an all night hit with the juniors and seniors. The theme was, "Life's Been Good." The rest of the year passed quickly with road trips, dedication to track, skipping school, keeping the restrooms unlocked, and practices of being 19. Many expanded their vocabularies with such words and phrases as, "we can do'er, stabilize, go for it, kinda crazy, that's O.K. for me, vat ist dis, I just wanna play the basketball, could be tense, sorry I blew up, hot dog, and whole hog."

The seniors, after a long, hard struggle, made it to graduation. May 13, 1979, was an important day for them all. As the class motto says, "We cannot discover new oceans unless we have the courage to lose sight of the shore." Mr. McKenna sang "The Times of Your Life." Class escorts were Amy Mahloch and Troy Cammack. Ushers were Julie Heidemann, Rick Damkroger, Susan Sobotka, and Tim Beethe. Commencement and Baccalaureate were combined this year and began at 2:30 P.M. and is probably still being celebrated. All are sad to leave the "comforts" of Tri County High School, but we will never forget this school and the friends we have made here.

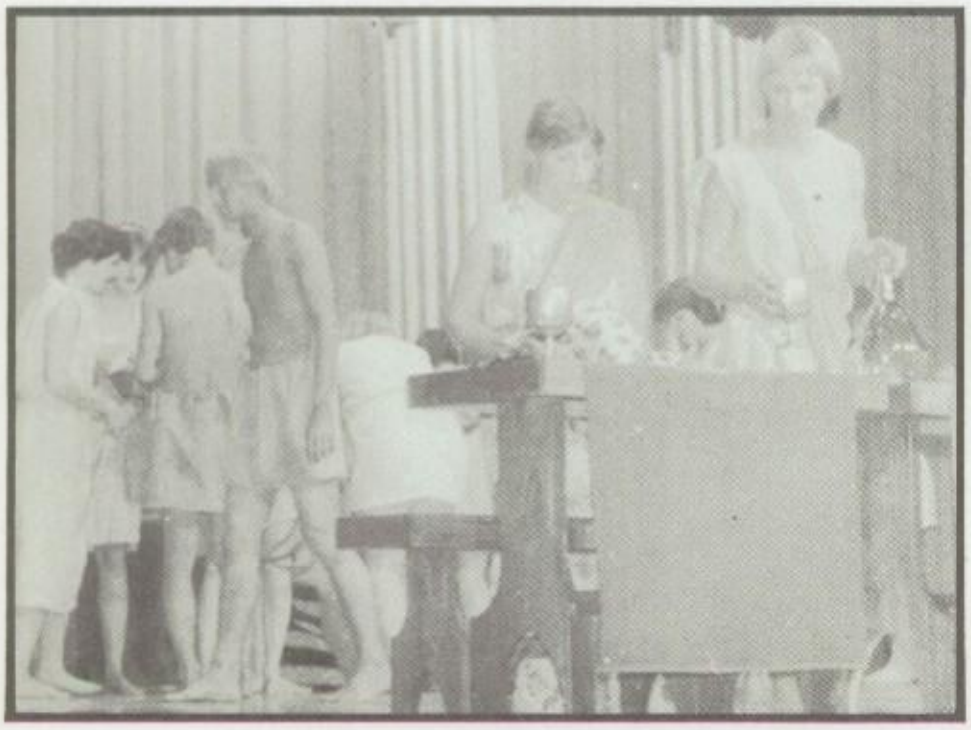
ANDROCLES AND THE LION



WASHINGTON, DC

Our D.C. trip was most enjoyable. Some of us even got to kiss some famous figures — at the wax museum. The days were filled with bus and subway excursions; the nights with moonlight strolls along the "ledges." Some unforeseen expenses arose however such as broken windows, night stands, and gambling losses. Some of us were broken up over the money we spent.

Poem to the Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the class of '79
We dedicate our Prom.

The Tri County Varsity Track Team captured their fifth consecutive District Championship by defeating 13 other schools.

At State Track Meet, the Tri County Varsity boys' mile relay team won their heat of the mile relay in a record smashing 3:30. This time was exactly the same as the first heat winner, Pender. Thus, Tri County became co-champion in the mile relay at the 1979 State Track Meet. The time of 3:30 was the fastest time run in the state this year by a Class C school.

Runners on this team were Juniors Troy Cammack, Rick Damkroger, and Chris Janssen, Senior Tim Garrison. The boys average time for the 440 were 52.5.

Other participants did well at the state meet but failed to score. Senior John Roesler qualified for the finals wtih a 49′4½″ put in the Shot, but placed 8th. Chris Jannsen competed in the High Hurdles, Low Hurdles, and Triple Jump but didn't qualify for Finals.

The Tri County Varsity Boys' Track team finished second to Hebron in the Southern Nebraska Conference held at Wilber May 4. 12 schools participated in the meet.

Tri County won 4 events. Seniors John Roesler won the shot put with a toss of 49′¼″ and Kirk Weichel won the two mile run with a time of 10:27.46. Junior Chris Janssen won 2 races and set a school record in 1 event. Chris won the 120 High Hurdles in a time of 15.6 and the low hurdles in a time of 20.9, a new record.

Kirk Weichel also placed second in the 880 (2:05.88) and the miile (4:53.93) and ran on the 2-mile relay team which placed 3rd. Other members of this relay team were Troy Cammack, Brian Weishahn and Bob Dunn.

Other place winners were:

440 yd. dash: Rick Damkroger, 4th (52.65)
120 H.H.: Kendall Schlake, 4th (16.49)
100 yd. dash: Duane Lintz, 6th (11.04)
880 yd. run: Troy Cammack, 3rd (2:06.39)
180 L.H.: Tim Garrison, 2nd (21.76)
220 yd. dash: Rick Damkroger, 4th (24.78)
